

*Stable & Versatile*

# pro eXplorer

**explore the possibilities!**

## **Malibu Kayaks Pro Explorer**

The Malibu Kayak Pro Explorer was designed with **easy paddling and maximum stability** as the main feature. This stable and versatile kayak is excellent for fishing, diving, pleasure boating and even fun days surfing or puttering around ponds. The space saving stackable design features dry seating, a cup holder, and molded in "Multi-Position" Foot rests which makes it easy for any size paddler to feel comfortable and secure.
