

ALL NEW **S**tealth-14

** All accessories sold separately.*

Length: 14'4" **Width:** 33" **Weight:** 64 lbs **Max. Capacity:** 550 lbs

The S-14 offers our brand new patented casting platform and center live well storage system. This 3-hatch center deck offers extra storage capacity and convenient mid-ship bait tank system. Various plumbing options, all self-priming. As with all our kayaks, the spacious hull can fit almost anything along with your fishing rods completely out of the elements when necessary. Package loaded with low profile Gator Hatch, side carry/paddle holders, adjustable foot track system, 45-degree angled hatch with bag, 2 front/2 rear flush rod holders.

Optional Features Included: X-Wing Sliding Console with optional 3 Switch Electrical Plate, Foot Rudder System, custom Rear Live Well/Storage Tank, and custom Trolling Motor Kit.
